**Identification Number:** C00144147

**Reference:** Your Three (3) Memos Dated September 26, 2001

Dear Mr. Maxwell:

Attached are copies of three review letters identifying four contributions coded for the Year 2000 Primary Election Cycle to candidates made after the Primary Election Date had passed. These contributions were erroneously coded for the Year 2000 Primary Election. They should have been coded for the Year 2000 General Election Cycle. I have mailed notifications to request refunds to the three candidates and will record those refunds with the monthly report to be filed when they are received. I have included copies of these notifications with this letter as well.

I will review and update my controls to ensure that contributions will be coded to the proper election cycle in the future. I also want to apologize for the delay in returning this information to you. My correcting information was due back to you in 15 days, which would have been October 11, 2001. I was on vacation some during the last week of September and the first week of October, and this past week I had to take care of a family medical emergency.

I thank you for your assistance in correcting these errors and ask that you please inform me of any additional reporting requirements that may be necessary for correcting them.

Sincerely,

Dear Mr. Smitherman:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 23 of your report discloses a contribution(s) to a candidate(s) for the Primary election; however, the funds were disbursed after the election date(s) (pertinent portion(s) attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an impermissible contribution, you should notify the recipient and request a refund and/or notify the recipient in writing of your redesignation of the contribution. In the best interest of your committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution(s).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent

to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

-Schedule A supporting Line 11(a)(i) of your report discloses contributions received through what appears to be a payroll deduction plan. Please amend your report to disclose the amount deducted per pay period. 11 CFR §104.8(b) Please refer to the enclosed sample of properly reported payroll deductions.

-Be advised that you have used an incorrect committee identification number on the Summary Page of your report(s). Please file all future reports and correspondence using your correct identification number, C00144147, to avoid potential errors in entering your reports onto the public record.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Attached is a copy of the letter and contribution check the Mississippi Power Company Federal PAC sent to you on March 21, 2000. Unfortunately, I coded this contribution as a "Primary" election cycle contribution after the date of the Primary elections in Mississippi last year (March 14, 2000).
